

was Getty a patron whose discerning taste  
discovered and supported artists for the ages  
he was not was he a collector whose reach  
defined a movement he was not what did his  
friends say about him they said he was "really too mean  
to ever allow himself to buy a great painting"  
did he specialize in the art of California he did not  
he did DEALS for loot whose price was set by DEALS
