there are other paths our president wants 100,000 more cops  
Harvard professors want 500,000 more cops enough cops  
to capture more firefighter slaves to machine gun refugees  
at the borders to defend every oil well and moneyed bunker  
from the flames  
until the oceans rise

our rulers are the worst to ever exist, it depends on what we do

the sunk 29 days may not merit a 30th. perhaps the last will  
be mailed, to arrive in the unknowable future
