

Cheery Sayings Purporting to Convey Nothing

Place a fresh burst of ancient starlight
over any recently wrinkled, ~~darkened~~ brow

A symphony of newly experienced sound *random*
Results from the staccato drip of ~~any~~ faucet leaks

Oft times the feel of joy permeating the air
has potent effect on small liquid substances

Closely examine the spring in ones smile
so as to determine your gainful endeavor

Every calendar we choose to follow
leads us exactly where we intended to be

No matter what volume of energy is focused on happiness
The resulting explosion can not be contained or monitored

A sweetly humming humidifier exudes an upbeat attitude
even in the face of creaking floorboards

~~When you willingly enjoy a smile, the warm light radiating below a anxious expression~~
~~You will add a rung on the ladder of Scientific nomenclature~~
~~If you are willing to walk a mile to enjoy a smile.~~

Cartwheels are only a devastating experience
When force coupled with a lack of vocal parity

The answer, irrespective of accuracy
lies just outside each well order streetcrossing.

Fondness for the form absent each unique input
Can only mean there is a basis for unmitigated jollity

the sense of well being
The ~~smile~~ that precedes random chuckles
Grows ~~without any~~ *independent of* specified care or watering

A state of contentment ~~can be reached easily~~ *will be attained*
Because your ladder is tall enough

One form of mirth easily displaces any serious thought
due to the fact it has high velocity properties
