

# LOVE DREAM

Get Up PaPa  
Get goin'  
'cause Beijing Betty  
Gonna bang  
Your head

Betty direct dipped  
Into  
Your brain  
Stole whatever  
Made you rare

One damn  
Bogus dream  
She's Black  
She's White

Your hollow eyes  
Hit this  
Beijing Jammer  
Between what's  
Left of today  
Goin' into tomorrow

When you CAN---  
Touch her!  
sweat seethes  
From your back  
Floatin' to wicked steam

NO MATTER brou'  
Stow the wood  
hot hard Betty  
Has hit the clouds  
You ain't fillin'  
That slot  
No more.
