

New and Unique Personal Views

Carefully run your hands down a wall
lacking any shred of remorse.
Placing double bars across the walkway to any future
cannot help but free a hard formed past to cavort at a distance.
Now to experience a certain time of day
is only a euphemism for pitiless reality.
The real purpose of an intricate, unordered cross pattern
may be to block light flow along a defined continuum.

Abandon the disintegration of a caustic life foundation
Where only disgust remains with success.
Stop now rather than focus your inner longing
To accept the belief that a
humdrum nirvana enlightens.
Vow culture won't emblazon
personal preferences or
curious thoughts melded long ago.
Motivating a fresh dressed carcass
May be the key to future scientific advancement.
Observation within an unnatural setting
occurs in routine examinations
The empty ,dark segment in the left quadrant of any mind
Unconsciously streams thoughts
both superior and superficial.
Random intervals of cross-shared empathic sympathy
Offer the promise of hope unfulfilled.
In the wakeless hours before breaking dawn
Our dreams can be crushed between heartbeats.
